Thanks, I would like to discuss the facts and just have a conversation about what we know, etc. Next Thurs works, 11am-12pm or after 3pm look good for me.

Hi, Alexa – I'll be in the office on Tuesday and Thursday next week, so between our two schedules it looks as though Thursday is the day of choice. I'm not yet sure this can be a case... would love to chat with you about that. Do you have a preferred time next Thurs, or should I just check your e-calendar and send an invite?

Kristine~

I understand from Laurie that you and I will be working together on the Armstrong Egg matter- look forward to it. Are you available to sit down and chat next week? What days are good for you? Next week I'm likely working at home Tues and have my CDO Friday.

Thanks,  
Alexa
